School Update

As we wind up this school year we are in full swing preparing behind the scenes for next year. We are excited for him in the next chapter and wish him all the best as he steps away from middle

school teaching. We will be posting an open middle school teacher position on our website and with ACSI. If you know of an exceptional teacher please send them our way. We continue the search for a principal and have two candidates in process at this time so please continue to pray that God continues to orchestrate this process. The school board is working hard to continue to build a stronger and stronger foundation for FCS by putting policies and procedures in place that help us enhance our program while remaining situationally responsive. I am excited for the great plans God has for this school and how we can impact the community and the world as our students move on from this "Foundation for Life"
