

Now Enrolling Freshman Class for 2023/24 School Year

Foothills Christian School's (FCS) mission is to see every child have the opportunity to receive an education through a Christian world view. After much prayer, Foothills is excited to announce that we will be offering a 9th grade and 10th grade class for the 2023/2024 school year with the vision of adding one class per year until grades 9-12 are complete.

What will this first 9th & 10th grade class look like?

FCS desires to have a community of young men and women educated with God's Word as the source and standard of Truth. This is how it will look; FCS has partnered with Ilumen Academy to offer an in-person, live on-line (Synchronous) classroom and Bob Jones University Press, offering recorded teaching online (Asynchronous). This will include a classroom setting on our campus here in Mount Vernon that is teacher guided and monitored.

Why did we choose to partner with Ilumen Academy and Bob Jones? Great question! First, we were looking for an online format(s) that would give the students engaging, online learning using Christian educators that have been trained to seamlessly immerse students in the biblical worldview foundation of each course. Most online high schools are a "work at your own pace" which lends to all learning being on the computer. Both Ilumen Academy and Bob Jones have strong Biblical teaching which aligns with that of Foothills Christian School. They are well known for their Biblical Worldview course which is of uppermost importance to our education program. The coursework is meticulously selected for purposeful academic rigor.

Full-time

A full-time student will be those who take 6 or more classes here at FCS. Each student will develop an educational plan based on goal. Students can opt for 100% Asynchronous (Bob Jones) or a combination of classes utilizing Synchronous teaching with Ilumen Academy.

Example of Classes

FCS high school classes will utilize a university scheduling system. This means that classes will be one hour and fifteen minutes taken two times per week - either Mon/Wed or Tues/Thurs. (Synchronous). Other classes will fill the schedule Monday through Thursday (Asynchronous).

Fridays will be a flex day with different opportunities throughout the year. Some Fridays, our high schoolers will serve and love those in our community. Other Fridays will be used for extra tutoring and study time, as well as the opportunity for guest speakers and a variety of special classes including time to explore career options.

Tuition

Full-Time Student

\$6,375.00 (\$637.50 mo/10 months)

Registration Fee: \$100 and fees \$625

Why enroll your student?

- One of a kind biblical worldview track.
- Full course options in core courses as well as foreign language and enrichment courses.
- Synchronous and asynchronous options that cater to your student's learning style.
- Community fellowship with students, teachers and chapel services.
- Ongoing student discipleship for those not desiring public school options.
- Involvement in campus activities such as P.E., service projects, Missions Week and other campus activities.
- Flexibility using the university model of education to leave campus and return for extracurricular or career oriented training.
- A safe environment with a low teacher to student ratio where your student will receive the personal attention needed to succeed academically.
